

FENIX® STANDARD PANEL BOARD PRODUCT OFFERING

FENIX® Panel Products are currently available in the Midwest and pre-approved nearby regions.
All requests for orders outside of that geography will require approval from a FENIX® Brand Sales Director.

Face Sheets can not be cut to size for panels. All panel orders must use standard FENIX® innovative materials face sheet size offering.

STOCK: Board is stocked in the warehouse. Lead time is 72 hours + standard FENIX® lead time.

MTO: Board must be ordered with an estimated lead time of 1 week (lead time subject to change pending board availability). MTO items should follow the standard NIR process for new SKUs.

ESTIMATED PANELS PER SKID: 1/4" = 73 11/16" = 30 3/4" = 28

FORMICA BALANCER RECOMMENDATIONS:

*Critical applications should always be balanced with the same grade.

Fenix® .8MM:

Grades JL/JM = Backer "12" or "C2"

MOQ: Orders less than 10 will have a \$120 charge.
